***Under the Boardwalk***  
**To Take the Stage at Le Petit Theatre**  
**July 11 – 26**

***Celebrating the Famous Harmonies of  
the Four Seasons, Beach Boys, Doo-wop & Motown***

Le Petit Theatre du Vieux Carré will present the popular original musical revue *Under the Boardwalk*, featuring the Big Easy Buddies, as a substitute for the recently cancelled *Joseph and the Amazing Technicolor Dreamcoat*, from July 11-26. The show celebrates some of the greatest hits of the 1950s and '60s, showcasing the classic harmonies of the Four Seasons, Beach Boys, Doo-wop, and Motown, accompanied by a live 'big band' orchestra. Audience favorites include "My Girl," "Blue Moon," "Ain't Too Proud to Beg," "I Get Around," "Walk Like a Man," "Oh What a Night," and many more.

Performances are scheduled for the same dates and times as *Joseph*. Tickets are \$30-\$50 and may be purchased at [www.lepetittheatre.com](http://www.lepetittheatre.com) or by calling the box office at 504-522-2081. All *Joseph* tickets will be honored for *Under the Boardwalk*.

*Under the Boardwalk* is an all-local production that has received rave reviews since its debut earlier this year. It is widely regarded as one of region's strongest original works and we are confident it will have audiences dancing in the aisles," said Cassie Steck Worley, artistic director of Le Petit Theatre. "Ask anyone who has had the privilege of seeing this show and they will tell you it is a performance you won't forget and may even want to see twice."

**ABOUT THE BIG EASY BUDDIES**

*Under the Boardwalk* was penned by New Orleans natives Richard Arnold and Kasey Marino to showcase the best hits of their popular high-energy vocal quartet, the “Big Easy Buddies.” The “Buddies” were founded in 2011 with a goal of producing Broadway-caliber theatrical performances primarily marketed to the cruise, casino, corporate, and hospitality industries. They’ve garnered rave reviews for their “tight vocals, scripting and movement” (Carl Mack, *Carl Mack Presents*). For more information, see <http://www.bigeasybuddies.com>
